Other					
Did you enjoy social events?	15	1			
Were you satisfied with the organisation of the conference?	17	1			
Did you find city of Pilsen pleasant?	16	1			

Notices

I understand the need for parallel tracks, but being able to attend two tutorials would also be nice.

It would be nice to have some kind of tables outside during the coffee breaks.

It was very pleasant to stay here. Conference was very well prepare. Than you much.

Would be better if coffee/tea available in morning on arrival.

No white t-shirts, please!
