XWIN node
Eduroam
VMware Cluster with 13 ESX servers
(382 GHz, 684 GB), 230 VMs
Storage Cluster with 300 TB

Contact

Christopher Odenbach
Zentrum für Informations- und Medientechnologien (IMT)

AFS, Kerberos, Virtualization, Storage and everything

AFS & KERBEROS INFRASTRUCTURE

AFS

9 virtual file servers
Debian Lenny amd64
openafs-fileserver 1.4.7
XFS
21,000 RW-volumes
2 virtual database servers
Debian Lenny amd64
openafs-dbserver 1.4.7
1 physical database server
Debian Lenny i386
openafs-dbserver 1.4.7
Hundreds or thousands of clients
Windows XP, Vista, 7, Linux
Mac OS X

Kerberos

21,000 accounts
1400 service principals

1 virtual master kdc
Debian Lenny amd64
3 virtual slave kdcs
Debian Lenny amd64
MIT Kerberos 1.6
Windows AD cross-realm trust
automatic password-sync into AD

CURRENT USAGE AND ONGOING PROJECTS

AFS

User homes
Group and project homes
Web sites
Typo3 and MediaWiki installations for
webserver clusters
Software repository

Projects

buta with Linux and TSM (volume backup)

Kerberos

one of several authentication mechanisms
(also LDAP and AD)
